Re: Detentions & delays arising from Port State Control (PSC) inspections and non-compliance with Maritime Labour Convention (MLC) 2006 Regulations

Please find below information received, advising of detentions and delays arising from Port State Control (PSC) inspections and non-compliance with the Maritime Labour Convention (MLC) 2006 regulations at Australian ports, which we would suggest is distributed to the relevant personnel, as well as being sent to the Master(s)/Chief Officers(s) of your vessel(s) if relevant.

Best regards
